

PARADISE

Verse 1:

I often think of you

Well that's the moment, yeah, when I don't know what to do

Perhaps I often thought of myself

And now you are together with someone else – Oh no

Bridge:

I need some time to hide this pain inside

To cry out loud will not bring back my bride

I need some time to hide this pain inside

Oh, please come back again

Verse 2:

I remember the times we had

You were next to me whenever I was sad

And now this is far away

'cause you are gone and I don't know what to say – Oh no

Bridge:

I need some time to hide this pain inside

To cry out loud will not bring back my bride

I need some time to hide this pain inside

Oh, please come back again

Refrain:

Hey Babe, this world is nice

Take me to paradise

Hey Babe, this world is nice

Take me to paradise

Just take me to paradise
