

# **TRAIL OF FANTASY**

## **Vers 1:**

**If you close your eyes you start dreaming  
about a land far far away  
and you can't believe what you're feeling  
there's just freedom and harmony**

## **Bridge:**

**Take the time and free your mind  
All you need is just right there  
Take my hand and follow me  
Leaving all behind**

## **Vers 2:**

**You climb the highest mountain  
And you swim across the sea  
You fly like an eagle  
And you never felt so free**

## **Bridge:**

**Take the time and free your mind  
All you need is just right there  
Take my hand and follow me  
Leaving all behind**

## **Refrain:**

**Fantasy - is all you need to come with me  
Fantasy - is your key to luck and harmony  
Fantasy - will help you on your way of life  
Come with me tonight - oh, yeah**
